Cost: \$100/child and \$76/parent volunteer

What is Camp Grady Spruce?

5th Grade students who register will be participating in this year's Camp Grady Spruce Outdoor Education program from September 21-23, 2016. Camp Grady Spruce is located on the beautiful shoreline of Possum Kingdom Lake.

The Outdoor Education program at Camp Grady Spruce is devoted to helping teachers educate students about the interrelationship and interdependence between man and the environment. The natural world is our classroom for environmental education! Students have the opportunity to learn while exploring trails, hiking Johnson's Peak, canoeing, fishing, and boating to Devil's Island. Students learn responsibility and develop an appreciation of diversity in nature and within each other. While Outdoor Education was developed with school curricula in mind, the overnight experience provides many more growth opportunities for these students.
